

Panel główny

The image shows a screenshot of the Nextcloud dashboard interface. At the top, there is a navigation bar with various icons and a user profile icon labeled 'SL'. Below the navigation bar, there are two status indicators: 'Testing user capabilities' and 'Set location for weather'. A red box highlights the text 'Aplikacje pulpitu' in the top right corner. The main content area is divided into four columns, each with a dark background and white text. The first column is titled 'Recommended files' and lists several files: 'Talk', 'Reasons to use Nextdo... .pdf', 'Readme.md', 'Example.md', 'Welcome to Nextclouddocx', 'Nextcloud.png', and 'Nextcloud intro.mp4'. The second column is titled 'Talk mentions' and shows 'No unread mentions' and 'Talk updates' with a checkmark and a link to 'New in Talk 17 - Conversations ...'. The third column is titled 'Important mail' and shows 'No message found yet' and a button 'Set up an account'. The fourth column is titled 'Upcoming events' and shows 'No upcoming events' and a button 'Create a new event'. At the bottom center, there is a 'Customize' button with a pencil icon, which is highlighted with a red box. A red arrow points from the 'Customize' button to a text box on the right that says 'Przycisk dodawania aplikacji pulpitu'. The URL 'https://cloud.komandor.pl/index.php' is visible in the bottom left corner.
